

GOURAB MODAK

Competitive Programmer
MERN Stack Developer

About Me

I was born in Kalyani and raised in Barasat, and from childhood itself, I had a keen interest in Mathematics. That's why I pursued Competitive Programming and then added to it MERN Stack to develop Websites. I consider myself a fast learner as I am always ready to put forward the required effort to excel with the deepest possible knowledge accompanied by the intuition that comes baked in.
